Independence Day, Founder's Day,

Teachers' Day and Republic Day were celebrated virtually. Special Assembly was conducted on MARTYR'S DAY.

Interesting instructional videos were prepared and shared to explain ART & CRAFT activities. Music Sports & Yoga videos were fruitfully used by students. They prepared response videos to show their performance.

Science teachers prepared videos of Lab activities and shared with students to help them assemble the experiment and perform. During students absence from school premises all classes were repaired and white washed. Maintenance of grounds was done.

Inspite of challenges posed by COVID, Little World students and teachers have bravely emerged victorious. This is due to joint efforts of teachers and parents who have supported the students wholeheartedly. We salute the teachers for learning to teach online and carrying out their duties inspite of tedious difficulties prevailing at home. They are true CORONA WARRIORS.

We expect the coming year will be much better since we are aware and well prepared. God bless the indomitable spirit that runs through every member of Little World family.

ALL THE BEST to students of CBSE X & XII 2021 Examination. Keep the school flag flying high !
