

LITTLE WORLD SCHOOL

ANJALI DUBEY
CHAIRPERSON

Dear Students ,

This school is one of the most beautiful places to be. It is a temple of learning and a place where little kids are brought by their parents filled with hopes and dreams. The kids make their own dreams and grow up right before us. We witness this and we consider ourselves very fortunate to see you bloom into god fearing, strong human beings. I wish you all to keep growing and keep working hard and keeping dreaming. Never give up on something that you know is yours and belongs to you. You may have to fight for it, you may have to show a character of strength and courage, keep doing that.

I want you to have that sparkle in your eye always that you had as a 3 year old when you first came to us.

Never give up on something you believe is yours.

All the Best.

Dear Students ,

Let's begin this year with discovering ourselves. Each day in the school is about learning something new and taking you a step closer to discovering you. Learning is the most beautiful thing. Learning is something no one can take away from you. Little steps to discovering ourselves will lead to bigger dreams and achieving bigger and better things in life. Dream big and you'll achieve big. And the key to success is finding happiness in what you are doing. Live every moment in the present and enjoy the process. And happiness will lead you to your goals and success.

Best Wishes,

Gaura

LWS- THE BEDROCK OF BUDDING WRITER

Alumnus of LWS
Dishaank Veera - Batch 2019

From Section Goofy in Little World School Katanga to University of Limerick in Ireland, my journey has been an awesome boat ride in open skies. Reflecting on my early years in school, I am filled with gratitude for the nurturing environment that sparked my passion for learning and creativity.

From the start I have been inspired by our respected chairperson Ma'am Ms. Anjali Dubey, the Principal and the teachers with whom I had the fortune to gain knowledge and insight in this art of writing. These formative experiences laid the foundation for my journey as a writer, culminating in the publication of my first poetry book named NOW.

Pursuing further education in Ireland for my Masters in International Management and Global Business has broadened my horizons, allowing me to blend my love for literature with Global Perspectives. I owe much to my school for fostering my growth and inspiring my aspirations.

"EDUCATION'S PURPOSE IS TO REPLACE AN EMPTY MIND WITH AN OPEN ONE" - MALCON FORBES

We, Mr. Sanjay Rai and Mrs. Shalini Rai, are deeply thankful to the teachers and staff of Little World School for their relentless dedication to Gauri's education from Nursery to Class 12th. Her achievement as the top scorer in the Class 12 Science stream and her role as Head Girl, where she honed her leadership, teamwork, and organizational skills, reflect the outstanding support and encouragement she received. We are genuinely grateful and filled with pride.

Mr. Sanjay Rai & Mrs. Shalini Rai

We, Mr Shantanu Naik and Mrs. Sushma Naik, extend our heartfelt gratitude to Little World School's dedicated teachers and staff for nurturing Sagarika's talents. Your unwavering support and guidance have been instrumental in her success. Thank you for creating an environment where excellence thrives. We are truly proud and grateful.

-Mr Shantanu Naik & Mrs Sushma Naik

Ms. Shilpi Bhattacharya

My journey in Little World School was memorable. When I joined LWS in 2002, I realized that I have got a new family with Mrs. Anjali Dubey our beloved AUNTY as a motherly figure. At that time there were handful of teachers and the number of students were less but the happiness that we got by working was immense. Even though the strength of students has increased, the love, care and concern for each other still creates a positive working environment in the school. I extend my deepest gratitude to our Chairperson Mrs. Anjali Dubey, CEO Mrs. Chitrangi Iyer, Principal Mrs. Paridhi Bhargava for their advice and support over my 22 years of service period.
